Exemption No. 6780B
Regulatory Docket No. FAA-2002-11564

Lt. Steve M. O'Konek
Air Support Division Commander
Cedar Rapids Police Department
10108 18th Street SW.
Cedar Rapids, IA 52404

Dear Lieutenant O'Konek:

This is in response to your December 11, 2001, letter petitioning the Federal Aviation Administration (FAA) on behalf of the Cedar Rapids Police Department, Air Support Division (CRPD) for an extension of Exemption No. 6780, as amended. That exemption from § 91.209(a) and (b) of Title 14, Code of Federal Regulations (14 CFR) permits the CRPD to conduct air operations without lighted position and anticollision lights required by § 91.209.

In your petition, you indicate that the conditions and reasons regarding public interest and safety, presented in the original petition upon which the exemption was granted, remain unchanged.

The FAA has determined that good cause exists for not publishing a summary of the petition in the Federal Register because the requested extension of the exemption would not set a precedent, and any delay in acting on this petition would be detrimental to the CRPD.

The FAA has determined that the justification for the issuance of Exemption No. 6780, as amended, remains valid with respect to this exemption.

Please note the FAA has assigned a new docket number to this project (Docket No. FAA-2002-11564; previously Docket No. 27821). In an effort to allow the public to participate in tracking the FAA's rulemaking activities, we have transitioned to the Department of Transportation's Internet-accessible Docket Management System (DMS), located at <http://dms.dot.gov>. This new docket system enables interested persons to view

AFS-02-208-E

requests on, submit requests to, and download requests from the DMS in accordance with 14 CFR § 11.63. Future requests should be submitted through the DMS.

In consideration of the foregoing, I find that a grant of exemption is in the public interest. Therefore, pursuant to the authority contained in 49 U.S.C. §§ 40113 and 44701, delegated to me by the Administrator, Exemption No. 6780, as amended, is hereby further amended by extending its June 30, 2002, termination date to June 30, 2004, unless sooner superseded or rescinded.

All other conditions and limitations of Exemption No. 6780, as amended, remain the same. This letter shall be attached to, and is a part of, Exemption No. 6780.

Sincerely,

/s/ Louis C. Cusimano
Acting Director, Flight Standards Service
